The Idaho Museum of Mining and Geology, located at the Old Penitentiary, is an all-volunteer, 501(C) 3 non-profit organization. We offer exhibits, educational programs, field trips, and outreach activities. We need members who share our vision and mission of educating the public about Idaho's fascinating geologic history and rich mining heritage. The IMMIG is supported entirely by membership fees, field trip fees, school and scout tour fees, and donations collected at the museum. We need your support to continue offering these programs to the public.

Your MEMBERSHIP helps support:

- FREE ADMISSION to the public.
- Outreach activities, such as field trips, hikes, and lectures.
- Youth educational programs, welcoming over 3,000 students each year.
- Development of interesting exhibits and acquisition of specimens.
- Upkeep and maintenance of museum facilities.

Individual and Family Memberships will receive one free field trip, a 20% discount on Gift Shop purchases, and reduced rates on all IMMIG activities. We hope you share in our passion and want to help us continue our programs. Please complete the form below and mail it to the address at the top of this letter.
